SHE IS LEGEND

Sorry, Buffy, there's a new vampire slayer in town. Say hello to *I Am Legend's* **SALLI RICHARDSON**.

Sci-fi fans might recognize Salli as the stern but incredibly sexy government liaison in *Eureka*, while less-nerdy folks probably know her from *A Low Down Dirty Shame*, *Posse* and *Antwone Fisher*. Either way, she's making it big, and it's about time to get to know this Chicago native a little better. Fun fact No. 1: She studied opera in high school. Fun fact No. 2: On December 14th you'll be able to catch her in theaters as Will

Smith's wife in the futuristic vampire flick *I Am Legend*. On getting the role, she's said, "I did feel like it was my part to lose. As long as I did what I was supposed to do, it was definitely my job." Nothing's hotter than a girl with confidence—well, except maybe a girl with confidence who says, "I am a physical person. I try to do some physical activity each day, even if it's just walking my dogs up into the hills." The hills, you say? We'll meet you there!
